

Help guide the organization as we seek to improve our value to our members and increase our impact in Vermont.

We welcome input as we work to answer questions such as:

- Why does VtPHA exist? What does VtPHA do specifically?
- How does (could) VtPHA save lives or change lives?
- How will the world look different as VtPHA accomplishes its mission?
- What measurable impacts will we create?
- What does (could) VtPHA do that no other could? Who is our competition?
- Where have you seen VtPHA 's work make a difference?

Please join us in clarifying our mission and setting our direction!

Vermont Public Health Association Board Meeting

Thursday, October 14, 2010
5:30 – 7:30 pm

Location: Community Health Improvement
199 Main Street, Ste. 150
Burlington, VT 05401

All VtPHA members and potential members are welcome. If you are unable to attend and would like to share your responses to the questions above, please contact Heidi Klein, VtPHA president at:
